A look inside my work.

About Me

Hey! Cory here. I am a photographer based in Dallas, TX. I focus on portrait, headshot, and event photography.

Growing up, I always found myself with a camera in my hand on various family vacations and amongst my group of friends. Over the years, I have worked to develop my craft and learn more about what it is to be a photographer. My resume includes working with large companies for corporate events and contracting with a sports photography agency, to create memories for individuals and families by capturing their portraits.

I consider my style to be vibrant and candid. Let's create and celebrate together on your next photoshoot!

Here's what they're saying...

" Cory was great! He showed up on time and gave great value to help us achieve both our holiday and baby birthday photos. I'm getting comments daily on my daughters birthday photo. I also especially liked the fact that he had a no fuss method for payment. "

Susan E.

" Cory absolutely killed it! He took the most beautiful pictures of my family for my brother's college graduation. He came extremely prepared with lighting equipment. My family was running late and he was very gracious. The professional quality of the photos is 10/10. I can't wait to use Cory again and highly recommend you do the same! "

Casey Q.

" I needed a professional digital headshot photo at the last minute and reached out to Cory Cameron Visuals on Thumbtack. I'm so glad I did! He was punctual in his reply, the cost of his services was reasonable, he was very pleasant to work with and I was pleased with the finished photo. I will absolutely call on him again for my professional photographic needs in the future. "
